Subject: Personally Invite you to engage at Madison Co. Democratic Caucus Night

Dear Fellow Democrats

As the Madison Co Democratic Chair, I would like to personally invite all Democrats across Madison County to attend there local Precinct Caucus's on February 2 next week. This is your opportunity to engage in our nation's democratic process. You will be engaging in democracy efforts at the local level; having your voices heard and setting the tone of what democracy looks like in Madison County; and across the state.

You will learn and share who the 2026 democratic candidates are and what they stand for. You can sign their nomination papers; and participate in electing county convention delegates; and sign up for upcoming events, news, and central committees. Getting Connected! All of us live busy lives, however prioritizing attending local caucus will offer opportunities to engage as little or as much as possible as volunteers. As Democrats we need to pull together. We face challenging, crazy, and confusing time.

So, make plans to attend, doors open at 6pm, and caucus starts at 7pm. Democratic Caucus location are easy to get to. They are at the Winterset Middle School, St Charles Library, or the Earlham Community Building. The Shopper and Earlham Echo ads include more precinct detail locations if needed. Bring your issues for county platform; bring a fellow democrat; and we all will plan see each other at caucus time in Iowa!
